## 3. **General**

Pascal Schwörer points out that university public things may only be published on the internet in a way that it is only accessible via VPN.  
Pascal met Mrs. Wagner on Wednesday, there are three open student positions in the examination boards Bauing Bsc, Umwelting Bsc, NHRE Msc!  
The FachschaftsRat Bauingenieurwesen is aiming for a meeting with the dean's office. A joint breakfast is advocated. FsR B is aiming for a meeting in October so that the FsR can work out topics and objectives that should/could be discussed by then. The meeting should take place in English, if necessary a translator should be organized by the dean's office.  
E-mails sent by the FachschaftsRat Bauingenieurwesen should generally be in German and English, unless they are individual messages.  
Mail distribution list: Birgitt Bode has offered Pascal that the FSR can use her mailing list for all students of Faculty B, Helena, Rebecca and Christian will take care of it.
