## 3. **News from the committees**

### 3.1. **Senate**

- Construction site C7 was originally scheduled for completion in mid-2022
  - Due to corrosion damage, the new date was set for 2024
- In C13, the excavation pit was dug incorrectly, building is cracking and starting to settle
  - Allegedly, the company responsible is insolvent and cannot repair the damage.
- New premises in Schwanseestraße for faculty M and K&G, a cafeteria is to be located there as well (old Coca-Cola factory)
- Deviation from 3G regulation, no regulations for the meeting may be made without the agreement of all students (e.g. 2G)
- In January it will be decided which three persons from the senate will be sent to the finding committee (consisting of seven persons) for the position of the president.

### 3.2. **StuKo**

- StuKo takes over sponsorship for Winterwerkschau (currently hybrid planned)
- In the extended presidency the topic with Mr. Könke was discussed again. Presidium first seeks discussion with him alone and then StuKo is invited.

## 4. **News from the study programs**

There were several discussions with Mr. Völker regarding the control situation in the ISM lectures (students do not sit in the specified seats, lectures are already started during the 3G control, masks are not worn despite excessive occupancy). Mr. Zabel asked that students talk to him personally about this incident. A protocol with the described incidents should be made available to him.

## **6. Pools Luna grey, Luna blue (M7)**

Students do not have access to the pools at the moment. Contact persons for this would be Ms. Goldammer, Mr. Plank-Wiedenbeck and Mr. Völker. However, if home office duties continue, students are dependent on working in university facilities, as there is no guaranteed space at home.

## **7. „Mensa“ (Canteen) Coudraystraße**

Since the beginning of the Corona crisis, the canteen has been closed and cleared out. For technical reasons, it is still not allowed to reopen (information from the Mensa Committee). The Studierendenwerk is responsible for the canteen.

## **8. Other**

### **8.1. Organization and participation last legislative months**

From January on Emin takes protocol and Ali moves up as a deputy.

## **8.2. Rental PCs**

Now that pools are closed again, it would be a good time to advertise the rental of the PCs again. We are thinking about renting out the PCs on a permanent basis in exchange for a donation. This should be discussed with Ms. Goldammer and Mr. Völker beforehand.

## **8.3. Christmas party (internal)**

- Scavenger hunt was a great success
- Three members of the FsR and eleven students from faculty CE, M and A&D participated
- All participants had a lot of fun
- The FsR was also able to advertise itself very well
- Such events should definitely take place more often (e.g. monthly).
  - at a state of opinion all attendees were in favor
  - Alex, Pascal and Emin will take care of the next meeting in January (probably 15.01.2022)
