0 Bilinguality

It is decided that the meeting will be held in German.

1 Agenda

The meeting was opened by Pascal Schwörer at 7:xx p.m.

2 Welcome of the guests

Tabea Gabi Ziegler, Ludwig and Lina are welcomed.

3 News from the committees

Senate

- Mensa may reopen in November, but then still without kitchen, with food delivery from Jena.
- Possibly 2G rule to be introduced. Faculty A&U would prefer to decide on this now. The opinion of some FsR members is that 3G should be continued and controlled much more strictly. Teachers are allowed to check the G status, they are just not allowed to write down and document what they have checked.
- Hearing of the President and the Chancellor are pending.
- Low participation in committee elections and by-elections. How can incentives be created here? Perhaps not only extend Bafög entitlement, but also extend the standard period of study.

StuKo

- During the semester break, work continued and preparations were made for the freshers-week.
- A person is being sought for the Library Advisory Board.

4 News from the study programs

- The remaining freshers' bags will be distributed to interested students on Thursday. The bags can be collected from M18 in the afternoon and will be handed out by the FsR.

6 Others

6.1 Teambuilding

- Unfortunately, participation in the meetings is always limited to the same people. Team spirit could perhaps be strengthened through better team building. The Student Council only works when everyone participates together.
- Consider organising a day together (e.g. Saturday) with breakfast, brainstorming and fun.

6.2 Get together

- A mulled wine bar is planned for the November/December months to bring the faculty closer together.
- Further details will be discussed at our weekend together.

6.3 Résumé of the Freshers' Week

- Everything worked very well.

7 Dates of the next two weeks

- 13.10.2021 StuKo Board, Faculty Council & Hearing President
- 14.10.2021 StuKo
- 18.10.2021 Hearing Chancellor
- 20.10.2021 StuKo
- 21.10.2021 StuKo
