0 Bilinguality

It is decided that the meeting will be held in German.

1 Agenda

The meeting was opened by Pascal Schwörer at 19:17.

2 Welcome of the guests

Jonas Bubenzer is welcomed.

3 News from the committees

StuKo

- Students are being sought to help organize the teaching award.
- StuKo would like to create a merch and do it together with the student councils. The merch should probably differ in color depending on the faculty.
- By-elections for committee representatives are to be held starting Friday. Many student seats have not received a single application in some committees. This should make it possible that these places can still be filled. Ideally, the FsR would find someone by Friday who would still apply for the second spot on the Faculty Council.
- We want to write a letter to the president's office to ensure better safety conditions in the coming semester during attendance events. FachschaftsRat A&U and the StuKo would, as soon as the letter is written, also put their signature under it.
- Planning for committee and student council elections will begin soon. A decision needs to be made whether next year's elections will be held jointly with the University, or separately as this year.
- StuKo-Light will be established for freshmen week. This way the freshmen week has direct contact persons during this time.

4 News from the study programs

The geodesy exam should be moved up two weeks at the request of the module leaders. This was only communicated with the students when the request was made. However, the examination board rejected the request. However, it is problematic that those responsible made the request in the first place without asking the students' opinion. The reason for this was that no one from the professorship would be on site at the time of the review and thus no questions that might arise could be answered.

5 Open committees

5.1 Department of cultural promotion 1 representative

There is still a search for 1 representative.

5.2 Examination Committee Civil Engineering 1 representative

There is still a search for 1 representative.

5.3 Appeals Committee "Data Engineering" 1 representative

There is still a search for 1 representative.

5.4 Examination Board "Building Materials Engineering" 1 representative

We are looking for 1 representative.

5.5 Study and Teaching Committee 1 representative

We are looking for 1 representative.

6 Other

6.1 Organisation Freshman week

- Many freshmen and some from the higher semesters were present at the meeting.
- A group takes care of all possible scenarios how the beer crate run could take place.
- One idea is to have a bag printed with your own design next semester.
- There has also been talk about program items that we would like to offer again this week.
- It is important to extend the opening hours of the university's own test center at least for the period of the Ersti-Week.

6.2 Sponsors bags for freshman week

- In the next 1-1,5 weeks the mail should be sent to potential sponsors.

6.3 Meeting for all volunteers

- Consideration to have a late summer party at the beginning of the new semester for all students of the faculty who are involved in all committees.

7 Dates for the next two weeks

- 14.07.2021 Faculty Council
- 14.07.2021 StuKo board
- 15.07.2021 StuKo
- 21.07.2021 StuKo board
- 22.07.2021 StuKo

8 Next meeting

The next meeting will be held in September or October. The date and meeting format will be decided in the short term depending on the pandemic situation.
